OBJECTIVE: To secure a position utilizing my expertise in Graphic Design and Marketing.

expertise

GRAPHIC DESIGN/DESKTOP PUBLISHING

- Recipient of Ad-Q™ Award for Outstanding Advertising
- Conceptualize and create advertisements for industry publications and direct mail
- Design catalogs, one-page handouts, and large-scale product displays
- Proof graphical and text-based documents for style and content
- Prepare and pre-flight documents for large-scale print runs
- Create interactive, instructional CD-ROMs for inclusion with customized products
- Utilize 2-D and 3-D CAD for architectural/mechanical documentation

WEB DESIGN/DEVELOPMENT

- Map and design both front-end graphics and back-end coding for Internet web sites
- Code pages using both WYSIWYG editors and straight HTML/XHTML
- Maintain consistent look and feel using cascading style sheets and server-side includes
- Develop Flash- and Shockwave-based animations for instruction and presentation
- Script complex behaviors using DHTML, JavaScript, ActionScript, and Lingo
- Utilize Internet marketing to increase web traffic by over 700%

DATABASE DESIGN/DEVELOPMENT

- Design cross-platform (Mac OS/Windows) solutions for multi-user environments
- Link and relate databases for on-the-fly updating and consistency of data
- Publish databases as HTML/XHTML for access by remote (Internet) users

NETWORK ADMINISTRATION/SUPPORT

- Design and set up wired and wireless, server-based networks
- Support users in a cross-platform environment (Microsoft Windows/Mac OS)
- Maintain intranet and Internet connections, including database, Exchange, and file/print server administration
- Recommend and perform hardware and software upgrades
